In planning and performing our audit of the financial statements of the East Islip Union Free School District (District) as of and for the year ended June 30, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the District's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

However,	during	our a	udit	we be	ecame	aware	e of	deficie	ncies	in	intern	al co	ntrol	other	than	significan

CURRENT YEAR COMMENTS

Cash Disbursements

A good internal control system for cash disbursements is one that includes checks and balances and proper supervisory review and approval of all cash disbursements by the District.

In the current year we noted that the district began utilizing its financial so	oftware (Win-Cap) to process electronic
